About Me

I've continuously expanded my skill set, embracing challenges and opportunities alike. Beyond my professional pursuits, my passion for sports has been a constant, leading me to national-level achievements in Wushu and archery, where I proudly clinched a silver medal. My dedication to excellence was recognized in 2022 when I was named the 'Best Outgoing Student' at my school, alongside serving as the sports captain during my tenth grade and being entrusted with the role of school pupil leader. These experiences have instilled in me invaluable lessons in leadership, teamwork, and perseverance.

Hands on projects

Madurai Special (food kiosk) *Present*

1. User Authentication: Implement user authentication and authorization functionalities to allow users to sign up, log in, and manage their accounts securely.
2. Restaurant Listings: Develop features to display a list of restaurants with details such as cuisine type, location, menu items, pricing, and ratings.
3. Menu Management: Allow restaurants to manage their menus by adding, editing, and deleting items. Ensure that changes reflect dynamically on the website.
